

## *Application Guide*

*All Stoplock products are designed to fit most vehicles. In some instances though the size of the airbag means that not all Stoplock variants will fit the particular vehicle steering wheel.*

*Use this guide to check which Stoplock variants fit your vehicle.*

*Note: To assist us to keep this guide fully up to date we welcome any comments that you may have, for example if your vehicle is not listed or you have experienced any particular problems when fitting Stoplock for the first time. You can contact us on [info@saxonind.co.uk](mailto:info@saxonind.co.uk)*
