Workshop Lighting – **the right light for every job!**

PHILIPS XPERION 6000 RANGE EXPANDS WITH MORE NEW LIGHTS

The multi award-winning Philips Xperion 6000 range has now expanded further, with the addition of a new Penlight, Head Light and Under-bonnet Light

The range now includes flood lights – one of which even allows you to listen to music from your phone – wands, hand-helds, slim-lights, and flexi-lights.

11 professional work lamps in total, as well as two smart accessories – a charging station and find-my-light system that help make work life better for workshop technicians, every day.
