

Bulb Application Guide

Instructions:

In order to select the correct bulb for your vehicle, please use the tables overleaf to determine the correct type.

1. Find your make and model
2. Select the correct year of manufacture for your vehicle
3. Your correct bulb type will be listed
4. If your selection results in * this means the bulb listed in the low beam column is a dual filament bulb that contains both high/low beams.
5. If your selection results in x this means the vehicle has an HID operation, check your owner's manual to ensure correct bulb type

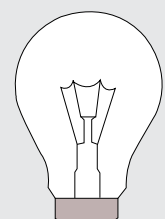

Every attempt has been made to ensure this application guide is current and accurate at time of printing.

Selecting the Bulbs

- * The bulb listed in the low beam column is a dual filament bulb that contains both high/low beams.
- x This vehicle has a HID operation, check owners manual to ensure correct bulb type
